

# 14 La Croix Mocktails to Sip by the Pool This Summer

BY AUBREY ROJAS ON JULY 5, 2016

The beginning of July means higher temps, lots of sunshine and plenty more fun activities coming your way. We know you've already found the perfect [bikini](#) and [beach towel](#) to get down and dirty in the sand with, but don't forget about staying hydrated! Although regular water is number one, why not mix things up with some sparkling water? Better yet, some seriously delicious and healthy La Croix mocktails. We've already snagged the best [La Croix cocktails](#) for you, but just in case you want to keep things a little lighter (or are in recovery mode!), here are 14 of the most refreshing La Croix mocktails to help you with the rising heat index.

1. [La Croix Apricot Fusion](#): Stone fruit season is in full effect right now and this sip definitely takes advantage of that. Pull out the blender, chop up a few apricots and pour a little Apricot La Croix for a fruity refresher. (via [Oh So Delicioso](#))
