## 10 DRINK RECIPES FOR THE LACROIX LOVERS

That cult-like following for **LaCroix**? It's safe to say I've joined it. Hands down, it's one of my favorite drinks, and given that the store shelves are usually barely-stocked when I go to buy it by a case, I'm not the only one who is in love.

While summer always brings a welcomed invite for refreshing flavors, this carbonated beverage is fitting for any day and any season. And it turns out that it's not only delicious on its own, but mixed as well.

Take, for instance, the drink that my friend Kristina and I created while on a picnic recently. We mixed equal parts Raspberry LaCroix with Rose wine and topped it off with a strawberry. Easy, right? The result was a refreshing splash of deliciousness in our day. (*Psst – the adorable monogrammed wine glass in these photos is from **White Elephant Designs!***)
